

Manufacturers Association of Israel

Nice to meet you!

Since 1921, **The Manufacturers Association of Israel** has been the sole and exclusive representative of all the industrial sectors in Israel.

As a strong body that **unites** industrial enterprises, the Manufacturers Association **strives to improve the business environment in Israel**, contribute to economic growth and lead to better life quality of Israeli citizens.

A woman with red hair, wearing a yellow hard hat and a high-visibility yellow safety vest over a light blue shirt, is focused on writing on a clipboard. She is holding a pen in her right hand. The background is a blurred warehouse or industrial setting with other workers in similar safety gear and tall shelving units filled with boxes.

The association
represents over
1500 enterprises
which employ
400,000 people
